Monday

Dear Vicki & Jim,

I expect you're busily
proceeding with "settling in"
this morning. Or did you
have to appear at work?
Probably so. So that leaves
you, "Vicki"^{He}. TV news said
it would be warm & humid
back there - it's actually that
way here too. Yesterday was
very hot. Didn't hear what
the temp. was but in the
high 90's I'm sure. Then
we had a little thunder &
lightening about 4:00 this a.m.
and a little bit of rain -
But now the sun is out
and the air conditioning in the

office feels pretty good.

I trust you had a good time in Chicago with your friends.

Ken and Debbie spent the weekend with us - Came about noon on Saturday and he tried to fix his car - it heats up - and after he worked on it awhile (hoping it was fixed) she went on out to her folks - then they went to a wedding in the evening & found out it wasn't fixed yet - So yesterday he put in a "homemade" gasket & they went boating on the Willamette - So he didn't know if it was ok yet or not when they went home last nite. - He had'n received your package yet but had the letter - I'm enclosing your #3 - Hope the "bite" didn't cause you any trouble on your trip - Write when you have time and tell us more about your trip. Love, Mom.
